Twilio Account

The image shows a screenshot of the Twilio Console interface. At the top, there's a navigation bar with 'Console', 'My first Twilio account', a search bar, and links for 'Account', 'Billing', and a user profile 'Dharishinie'. The left sidebar has a 'Develop' tab selected, with sub-links for 'Phone Numbers', 'Messaging', 'Studio', 'Voice', 'Explore Products', and 'Docs and Support'. The main content area is titled 'Account Info' and displays the 'Account SID' as 'AC2562c987764917ec2ab3dd4596fb018f', the 'Auth Token' as a masked string with a 'Show' button, and the 'My Twilio phone number' as '+18583302139'. A warning message states: 'You are on a trial account. You can only send messages and make calls to verified phone numbers. Learn more about your trial account'. On the right, there's a 'Helpful links' section with links to 'How does Twilio work?', 'API documentation', and 'Support help center'.
